

## Specialist Schools Trust: 2Simple Software Joint Project

*Developing Learning Resources to support the work of the National Strategies*

<b>Name of school</b>	Hartside Primary School
<b>Address</b>	Hartside Close, Crook, DL15 9NN
<b>Title of unit</b>	Traditional tales
<b>Year group and term</b>	Year 1 - Term 2
<b>Curriculum areas covered by work</b>	Literacy, Drama
<b>Main learning outcomes of unit of work</b>	To be able to retell a traditional tale - The Three Little Pigs. To be able to include a beginning, middle and end. Typing skills.
<b>Description of work</b>	2 create a story - retelling of The Three Little Pigs. Child is a more able child.
<b>Brief description of how the ICT was embedded in the teaching of the unit</b>	As a class we read and discussed The Three Little Pigs. We had a visit through a drama company of the pig and wolf. They retold the story which was a stimulus for the children's writing. In drama, children role played the story and took photos using digi blue cameras. The teacher demonstrate the use of 2 create a story. They used 2 create a story over 2 lessons.
<b>How did the use of ICT help the child's learning?</b>	Children were very motivated. The use of 2 create a story allowed children to add sound effects to their story which proved to be a huge stimulus to their work. There finished work was presented on the interactive whiteboard. Work produced was a much better standard than that written in their books.
<b>Would you do anything differently next time?</b>
