English

Pupils as digital publishers

Would you like your pupils to create and publish their work online? This could be ebooks, games, quizzes, art work, models, etc.

- Create books, games or art.
- Publish via links, web site, QR code or email.
- Use Display Boards or Blogs for feedback.

Spelling, grammar and punctuation

If you want to know how Purple Mash can support Spelling, Punctuation and Grammar to help create your own activities for your class, then this is the focus for you.

- Overview of resources and planning support.
- Create your own resources and set them as 2Dos.
- Explore how our spelling and grammar scheme of works can raise attainment in your class.
- Create your own online spelling tests with 2Quiz.

Engaging Parents in PM

Parental engagement

Parents have a huge impact on a child's educational success and, as Purple Mash can be used at home, they can help greatly with homework and spontaneous creative activities away from school. We can support you in providing Parent Workshops to help them make the most of Purple Mash at home.

- Motivate and inspire work at home.
- Parental involvement.
- Sharing with 2Dos.

"The whole session was extremely helpful and all relevant to our needs. The staff were all buzzing about how they can use the many tools you demonstrated.

Sharon Smith
