

Parent's Guide

Using the

Parent Portal

Stay connected to your child's learning

Parent Portal helps you keep up to date with your child's work on Purple Mash. You can see what they've been doing, view feedback from teachers, and celebrate their achievements - all in one place.

Getting started

If your school has enabled Parent Portal, you'll find:

- Your **Parent Code** on your child's login card
- The **Parent Portal web address** at the bottom of the card

To get started:

1. Visit your school's Parent Portal link
2. Enter your Parent Code
3. Create your account

What you can see

Activity feed

Get a quick overview of your child's recent activity, including:

- Work set (2Dos)
- Completed and handed-in work
- Teacher feedback and comments
- Rewards and achievements
- Blog posts or display work

You can also filter the feed to focus on the updates that matter most to you.

View tasks (2Dos)

See all the work your child has been set:

- Check what is **set, in progress, or handed in**
- Open completed work to view teacher feedback and rewards
- Explore individual pieces of work in more detail

See shared work

With **Parent Share**, both teachers and children can share work directly with you.

- **Children** can choose pieces they are proud of to share
- **Teachers** can share work to highlight progress or achievement

Access helpful resources

The **Parent Feature Panel** provides:

- Tips to support learning at home
- Useful guidance and videos
- Information about Purple Mash tools

Help your child log in from home

If your child forgets their login details, you can log in via Parent Portal and access their Purple Mash account.

This makes it easy for them to:

- Complete homework (2Dos)
- Continue activities started in school
- Keep learning at home

Weekly updates

You'll receive a **Weekly Digest Email** with a summary of your child's activity.

Managing multiple children

If you have more than one child at the school, you can easily switch between their accounts within Parent Portal.
