

2Build a Profile – Terms of Licence and Use

This Agreement details the licence we grant you and governs your use of 2Build a Profile ("2BAP"). By using 2BAP you are agreeing either yourself or on behalf of your establishment to the terms that appear below whether you or your establishment have purchased or another party, for example only your Local Authority, is paying for the subscription.

THE HEADLINES

The headlines of our Terms and Conditions are below (please do take the time to read the detailed terms and conditions that follow these headlines "the fine print", as you *will* be bound by them and we cannot cover all the important terms in these headlines):

1. You can use 2BAP with limited functionality for free, but for access to most of the features you will need to buy a subscription.
2. Your subscription is limited to the agreed setting (which doesn't extend to chains, federations etc. unless specifically agreed in writing), can't be transferred to anyone else, and can only be used on the number of devices that you've bought a subscription for.
3. When your subscription expires we'll keep your data for 30 days, but after that we reserve the right to delete it.
4. You are responsible for keeping your passwords and logins secure and for using PIN codes where possible.
5. You are also responsible for keeping a record of all devices on which 2BAP is installed.
6. We will do our best to make sure that all the information and guidance in 2BAP is accurate, but this doesn't amount to a warranty.
7. We will try to make sure that 2BAP is available as close to 100% of the time as we can, but we can't be liable for any losses that result if the service is unavailable.
8. We will do everything we reasonably can to keep your data secure and we will take all reasonable steps to comply with the requirements of the Data Protection Act.
9. If you wish to make a legal claim which relates to your use of 2BAP, the most you will be able to recover is the amount you have paid in any given subscription period for 2BAP. We won't be liable for any pure economic loss you suffer in any circumstances.
10. We have an additional [Security and Privacy policy](#), which covers how we will use any personal information you supply us with.

THE FINE PRINT

These are our legally binding Terms and Conditions applicable to all use of 2Build a Profile, which consists of a Web Suite ("the Web-Suite") and an application or "app" which runs on certain tablet computers and some smartphones ("the Devices" or "Device").

1 Provision of Service

1.1 The Licence to use 2Build a Profile ("2BAP") is granted to you by 2Simple Ltd. Company number 03843465 ("2Simple"), whose registered office is at 5 Broadbent Close, Highgate, London N6 5JW. All references to "we" or "2Simple" in this document refer to 2Simple Ltd.

1.2 The free version of the 2BAP app may be downloaded and used free of charge, without the use of a subscription, but in order to use the full functionality of 2BAP a subscription must be purchased. By continuing to use 2BAP you agree to abide by these terms and conditions regardless of whether or not a subscription has been purchased.

1.3 By purchasing a subscription, you are granted a limited non-exclusive, non-transferable licence to use 2BAP, including any such features as are agreed by us with you in writing at the time of purchase.

1.4 You may use your subscription on no more than the number of tablet devices agreed by us with you in writing.

1.5 You may only use your subscription at the setting or settings explicitly agreed with us in writing. Schools or organisations that are part of chains, federations or similar collections or associations are treated for the purpose of this agreement as separate institutions. Each such organisation will require their own licence unless the contrary is explicitly agreed with us in writing.

1.6 The subscription fee shall be payable on or before the date of commencement of your subscription. Unless otherwise stated all prices quoted to you are exclusive of VAT or other sales tax and such tax must be paid by you where legally due. If any part of the subscription fee is unpaid, we reserve the right to suspend use of 2BAP.

1.7 You must make all payments due without any set-off, counterclaim or any other deduction.

1.8 You must maintain reasonable security measures to safeguard 2BAP from access or use by any unauthorised person, including ensuring that the PIN code feature is used to lock the 2BAP app on each Device, taking reasonable steps to maintain security of passwords and PIN codes and log-in information. You must promptly contact us by emailing info@2simple.com to request password changes or deactivation if you become aware that a Device has been lost or stolen, a user has left your employment, or that your security has been compromised.

1.9 You must retain the 2BAP app under your control and maintain a full and accurate record of the Devices on which the app is located and you agree that you will produce a copy of that record to 2Simple on request.

1.10 These terms and conditions (including any documents referred to within them) contain all the terms on which we provide 2BAP to you. They supersede any prior promises, representations, undertakings or implications made.

1.11 Where you are a private consumer, nothing in these terms and conditions shall detract from your statutory rights.

1.12 If 2Simple reasonably believes that your login is being used in any way which is not permitted by this Agreement, 2Simple reserves the right to cancel access rights immediately on giving notice to you and to block access from your login.

1.13 We may include your name in our list of customers made available to the public and subject to your prior written consent may include in our marketing materials a case study concerning your use of 2BAP.

1.14 If you are using the free version of 2BAP we do not undertake to retain any of your data. If you have paid for a subscription, we will allow you to have access to any of your data stored for a 30 day period following termination of your subscription. We reserve the right to permanently delete all such data after expiry of that 30 day period. It is therefore your responsibility to make back-ups of any data that you wish to preserve before the expiry of that period.

1.15 Once you've paid for a 2BAP subscription you are committed to that subscription for the length of your licence. This means that you will not be entitled to a refund if you decide that you do not wish to continue using the service part way through your subscription.

1.16 In the event that we agree to split your subscription fee into parts, thereby allowing you to defer payment of part of your subscription fee to a later date, you will be liable for all parts of the subscription fee, even if you choose to cancel your subscription part way through. For example, if you have a 3 year subscription with half the fee payable immediately and the remainder payable one year later, if you choose to end your subscription after 6 months, no refund would be due on the first payment and you would still be liable to make the second payment even though you were choosing not to use the service.

2. Ownership of Copyright and Intellectual Property Rights

2.1 The name 2Build a Profile and the 2BAP app and Web-Suite (including any images, designs, photographs, animations, video, audio, music and text incorporated into 2BAP) are owned by 2Simple and its partners and are protected by United Kingdom copyright laws and international treaty provisions.

2.2 You may not (without prior written permission from 2Simple):

2.2.1 Attempt to circumvent the copy protection in the 2BAP app or copy the 2BAP app.

2.2.3 reverse engineer, decompile, or disassemble the 2BAP app or anything on the Web-Suite.

2.3 We will defend any claim brought against you by a third party alleging that the use of 2BAP infringes a third party's intellectual property rights, and we will pay any costs and damages awarded provided that you give us prompt notice of any such claim, give us reasonable assistance in relation to it, give us sole authority to defend or settle the claim and take reasonable steps to mitigate any damage that is occurring in relation to any such claim. If costs are awarded in relation to the defence of such a claim we would benefit from any such costs award.

2.4 If in our reasonable opinion 2BAP is or may become the subject of an intellectual property claim, we shall be entitled to replace or modify 2BAP so that it becomes non-infringing, but is the equivalent in all material respects to its previous specification prior to modification.

2.5 We shall have no liability for any intellectual property claim arising from any use of 2BAP which is not in accordance with this agreement, including any modification of 2BAP by you or a third party, or from the use of any version other than the most recent version of 2BAP.
